PREPARING A NEW GENERATION FOR SUCCESS

Training sessions run October 7th , 2024 - May 1st 2025

Black Gems

So, you want a successful career and a bright future. For many, the path to success seems to be all about ACT/SAT scores, GPAs and stacking up internships or apprenticeships as resume boosters. But there's one critical piece missing from that formula: **YOU**. That's where we come in! **Black Gems** is a **FREE** transformative College and Career

Readiness program designed for high school students grades 9 - 12. Our program emphasizes social and emotional learning and develops critical thinking skills, preparing you to achieve success on your terms.

BLACK GEMS OFFERS:

Social and Emotional Learning: designed sessions of improv and self-reflection, leadership, and self-advocacy

Communications: author your own story, writing/delivering speeches

Financial Literacy: budget, credit, savings, investments, economics of money

Career Roundtables: (topic determined by student interests)

Spring College Campus Tour: Visit HBCU college campuses, civil rights museums, and significant historic sites. (Additional costs & requirements for students to attend tour)
